A) Lake Baikal is located in Siberia. This deep lake is very old. There is a legend that the water of the lake is magic and can make you younger and healthy. There are beautiful Sayan mountains with many hot springs around Lake Baikal. The wildlife is also amazing. Many of the plants which grow there are rare, so you can find them only in this place.

B) Sailing is a great outdoor activity. It helps us feel connected to nature. Breathing the sea air is healthy. Although sailing can be hard work, once you learn it, it becomes a very relaxing pastime. It also gives you food for thought. With sailing the mind comes first, muscles after. Sailing is about feeling the sea and the wind. It is so exciting to take part in the sailing competitions.

C) The Sydney Opera House is one of the most famous sights in Australia. It is known for its unforgettable architectural style. The architect, Jorn Utzon, was inspired by the natural world as he designed it. Utzon wanted to show the beauty of the sea. So he decided to make the roof like rising boat sails. The Sydney Opera House is actually one of the best places to listen to music.

D) The island of Sri Lanka is best known as the Island of Rice and Curry. The main feature of the country's cuisine is steamed or boiled rice served with other dishes such as vegetables, chicken or fish. It is very healthy. In fact, Sri Lankan cuisine has been influenced by several cultural and historic factors. Contact with foreigners has also changed the country's cuisine.

E) A famous singer visited Moscow last Saturday. She had a concert in one of the biggest stadiums of the city. The audience had a wonderful opportunity to enjoy the best songs and to sing along. The singer presented several new songs at her show. Her voice was very beautiful. The sound and the light were perfect. It was real gift for all the Russian fans of the singer.
